

FunkManager S

Ideal to control roller shutters, blinds and awnings via radio

Benefits:

- quick and simple programming via radio
- small and compact design
- "invisible" flush-mounting
- extremely secure
- (Somloq Rollingcode)
- IP 30
- also ideal for retrofitting
- direct connection of 230V tubular motors possible
- integrated antenna (FM 868.8 MHz)
- installation in a customary standard box
- programmable via radio, requires no access to radio receiver
- audible response during programming

- compatible for following transmitters:
4011, # 4020, # 4026, # 4762,
4080
- can ideally be combined with the SOMMER 3-button wireless switches (# 4762V000/V001)

FunkManager S Kit

5990V000
