

# Lumi Strip

High-performance LED strip for a wide variety of applications

Lumi Strip lighting  
#S11479-00001

## Advantages:

- LED board, sealed in plastic housing and suitable for a wide range of applications
- Individual versions can be used, for example, as door leaf lighting (ambient lighting), as a warning light or as a red/green traffic light in underground garages
- Energy-saving, durable LED with high illumination power
- Inconspicuous, narrow design makes it almost invisible
- Easy installation with only one screw
- Individual wires of the connection line in the colour of the respective LED
- Electrical reverse polarity protection prevents damage if the voltage is connected with the wrong polarity
- Output: 4.5 watts

## Other versions:

### S11480-00001

Lumi Strip lighting/warning light, 6 LEDs cold white/6 LEDs orange, output: 9 watts

### S11481-00001

Lumi Strip traffic light, 6 LEDs green/6 LEDs red  
Output: 9 watts

## TECHNICAL DATA

Dimensions	287 × 17,2 × 8 mm
Cable length	8 m
Power supply	24 V DC
Wattage	4,5 W
Degree of protection	IP65
